Cafe Cino Capsule Coffee Machine

DESCRIPTION

A compact yet elegant pod coffee machine that includes a built-in milk frother, for a wider choice of barista style drinks. Featuring a stylish, gloss black finish with chrome trim, the machine heats up in just 40 seconds and turns off after 10 minutes of inactivity to reduce energy consumption. Compatible with NespressoÂ®* capsules. Precise dosing control extracts the perfect measure of espresso, with a temperature boost for a hotter cup. The programmable dosing memory allows you to alter the extraction, especially useful if you want to fill a favourite cup.

Features include:

- Compatible with NespressoÂ®* capsules
- Built in milk frother with jug (air volume 500ml)
- Precise, automatic dose control
- Programmable dosing memory
- Ultra-fast thermobloc heating system (water heating on demand)
- Dedicated espresso, lungo, cappuccino and latte settings
- Cold, frothed milk option for milkshakes
- Temperature boost option for frothed milk
- Descale warning light and descaling program
- 800ml removable water tank & lid
- Removable capsule basket & drip tray
- Non-marking, non-slip rubber feet
- Auto switch-off after ten minutes
- *Nespresso trademark is owned by SociÃ©tÃ© des Produits NestlÃ© S.A
