

Dualit Architect 4 Slice Toaster

DESCRIPTION

ARCHITECT TOASTER

Dualit's Architect toasters combine ergonomics and aesthetics in a brand new way. Now featuring patented Perfect Toast Technology, which calculates the optimum toasting time for consistently golden brown toast. With our trademark longevity and functionality, you'll be toasting what you like, how you like it.

Features include:

- Peek and Pop - check the level of toasting without interrupting the cycle
- Defrost - for frozen bread
- Bagel and Bun warming
- Interchangeable side panels available as an accessory
- Extra-wide slots
