

Dualit Bar Blender

DESCRIPTION

A SMOOTH OPERATOR

Embrace a healthy way of eating the easy way with Dualit's fast and powerful VortecSÂ® Blender. If you find it hard to manage your "5 a day", then creating delicious soups, smoothies and sauces is a simple way to increase your intake. The blender liquidises even the toughest fruits and vegetables to create the smoothest liquid packed with nutrients. The versatile blender will make smoothies, milkshakes, sauces, baby food, soups, batters, dressings, cocktails and crushed ice.

Features include:

- Powerful 1000w motor
- 2.0L Tritan Jug - BPA free, dishwasher safe, shatter proof and lighter than glass
- Soft-start Motor - keeps food in contact with the blade for rapid results
- Ice crush mode
- Vortec S Blending - unique 6 pronged blade draws contents down into the centre for efficient blending
