Dualit Milk Frother

DESCRIPTION

MILK FROTHER

Create barista-style drinks at home in minutes with the new Dualit Handheld Milk Frother. Ideal for making flat whites, cappuccinos, lattes, mochas, milkshakes or decadent hot chocolates, without needing to visit a coffee shop. A range of unique accessories ensures perfectly texturised frothed milk every time. The Handheld Milk Frother also has a cool touch body and non-stick rubber feet for convenient kitchen to table use.

Tip: For best results, use cold, 'barista-grade' plant based or dairy milk

Features include:

- Simple one-touch operation
- Creates perfectly texturised milk
- Patented magnetic removable whisk gives a fully sealed drive
- Smooth non-stick interior for easy cleaning
- Patented motor over-run prevents milk from burning in the jug
- Automatic switch off
- Stylish cordless jug with non-stick rubber feet
- Generous capacity: 250ml maximum volume after heating cycle
- Cool touch body
- Create delicious milkshakes or chocolate milkshakes*

*Handheld Milk Frother will heat to melt ingredients; pour over ice to cool and serve.
