

Dualit Mini Cordless Jug

DESCRIPTION

PINT SIZED MAGIC

The 1 litre cordless jug kettle is perfect for domestic and hospitality use, with all the benefits of the 1.5 litre jug kettle but on a smaller, space saving scale. The same large viewing window on both sides features cup level indicators so that you only boil the amount of water you actually need (minimum 2 cups). The hinged easy-fill lid has a large heatproof knob with finger guard to prevent burning and the rapid-boil concealed element has its own boil-dry safety cut-out.

Features include:

- Concealed Element
- Swivel Base
