

Dualit Domus 4 Slice Toaster

DESCRIPTION

DOMUS TOASTERS

The new Domus Toaster offers exceptional quality in every feature. From the ergonomic, embedded lever and soft-touch illuminated buttons to the easy to use browning control, the Domus Toaster has been designed with the care and attention to detail expected of Dualit. Dualit's optional extra sandwich cage means you can not only make mouth-wateringly good toasted sandwiches but also toast smaller items like buns and teacakes with ease.
