

Dualit Hot Chocolate Maker/Milk Frother

DESCRIPTION

Velvety Smooth Hot Chocolate

The Hot Chocolate Maker & Milk Frother is designed to create the dreamiest hot chocolate with minimal effort. Whether you're using chocolate flakes, chunks, or powder, the Hot Chocolate Maker & Milk Frother effortlessly whisks and blends your favourite chocolate into a rich, velvety drink that rivals cafe-quality beverages. It has a simple one-touch operation for easy use, and easy cleaning components to make maintenance hassle-free.

Tip: Use cold, barista-grade dairy or plant-based milk. For a lower calorie option, mix with water.

Features include:

- Create cafe quality, velvety smooth hot chocolate from the comfort of your own home.
- Turns your favourite chocolate into delicious hot chocolate in less than three minutes.
- Simple one-touch operation.
- Patented magnetic removable whisk.
